Annual General Meeting

Dear Member,

You are hereby notified that the Annual General Meeting of the Association has been set down for Sunday, November 16, 2014 at the Greyhound Social Club, 140 Rookwood Road, Yagoona at 10am.

Agenda

1. Apologies
2. Confirmation of the Minutes of the Bi-Annual Meeting of May 18, 2014 and signing by the Chairman.
3. Business Arising from the Minutes.
4. Chairman's Report.
5. Review of the Association's Trading.
6. Adoption of the 2013/2014 Annual Balance Sheet and Income and Expenditure Statement.
7. Report regarding proposed future special resolutions.
8. Management and Directors' Reports.
9. General Business.

Chairman's Report

Dear Member,

It is my duty and pleasure to present my report in support of the Association's Annual Report which incorporates the financial statements for the July 1, 2013 to June 30, 2014 period.

The Association traded with a surplus of \$173,260 in comparison to a surplus of \$114,158 in the year prior. The result is inclusive of provisions made for the 2015 National Championships (\$20,000) and flood rectification (\$10,000).

Modest prize money growth was achieved although quantum comparisons with previous years is somewhat distorted, given the fact that the Association carried out caretaker management at The Gardens in 2013/14 for that period only.

During the year, Directors and management continued to apply attention to maintaining race meeting attendance, race meeting revenue, sponsorship and non-race day revenue and were pleased to again be able to fund prize money levels \$189,870 in excess of payments made by GRNSW.

It is particularly pleasing to confirm with members that considerable progress was made during the year regarding reform to the control and management structure that is to apply at Wentworth Park going forward.

As mentioned in my last report, Directors have worked closely with GRNSW and the State Government with the intention of securing long term tenure and a more appropriate operating model at Wentworth Park.

A formal announcement can be expected within the immediate future regarding confirmation of a long term lease structure at Wentworth Park. There are a number of flow on benefits.

Firstly, the security of long term tenure will enable greater levels of investment in facilities, to be justified on a cost/benefit basis. Secondly, maximum levels of operational autonomy will be achieved with the NSW GBOTA responsible for total management of all racing and commercial activity at the venue.

Thirdly, the new arrangements will drive a strategic relationship between the Association and GRNSW that delivers common strategy and objectives regarding the racing and commercial direction of the venue.

Directors were satisfied with the performance of the Association's TAB network of tracks. Efforts were made at each track to increase secondary income beyond earnings from racing activity, including a general market at Bulli, a farmers market at Maitland, speedway and other arena use at Gosford and convention centre use at Lismore.

Given the reality that the vast majority of today's greyhound racing supporters experience the sport from an off course perspective, Directors have remained realistic in terms

of profits that are able to be generated from race night attendance and associated income. They continue to seek higher returns in areas such as sponsorship, media and signage rights and non-racing venue activity. And they have ensured that a cost efficient approach has been applied to all administrative structures in place at Association tracks.

It was this fundamental approach that necessitated an administrative restructuring at Bulli during 2013/14. The restructuring obviously incurred one off extraordinary costs, but Directors are comfortable that the foundation is now in place for ongoing viability at what is a critically important venue for NSW greyhound racing.

Members would be aware that the Association was requested and ultimately contracted to undertake caretaker management of The Gardens venue for GRNSW during the period August 2013 until June end, 2014.

Part and parcel of the caretaker arrangement was the requirement to provide racing at the venue within five days of the GRNSW decision and this was done efficiently, seamlessly and without impact on participants.

Directors ensured that the majority of back office administration was absorbed across the Association's employee network and, against a long history to the opposite, were able to ensure that the venue operated profitably and immediately. The trading restrictions that are connected to caretaker management meant that limited attention could be applied to medium/long term revenue and this unexplored opportunity only further underpins the venue's potential to remain profitable.

Management of the Gardens facility on a long term basis went to tender during the year. Your Association engaged in the tender process but was, ultimately, unsuccessful.

The Association's governance structure (elected as opposed to skills based appointed Directors) appeared to be the primary point of GRNSW opposition. I believe it is important for members to understand that Directors did submit a professional tender, based on actual trading results and one that promised short and long term viability for the venue.

The key benefits of our tender were as follows:

- Up front acquisition of the venue at the GRNSW sale price (\$1.5m) via vendor finance at 5% or bank finance.
- Total acquisition re-payment over 16 years.
- Conservative modelling which confirmed trading profitability over the 16 years of acquisition, inclusive of \$20,000 per annum in additional prize money and a \$25,000 per annum capital development provision (both indexed at CPI).

Members would also be aware that Directors have, for many years, approached the non-TAB operations of the Association with strategic vision. Clearly, racing activity,

where at all possible, must be converted to TAB status if racing is to be assured of a long term future.

In this regard, Directors have taken steps to position both Temora and Gunnedah as tracks worthy of consideration for TAB elevation in the future. Both tracks have self-funded grass to sand track surface conversions during the past year and have undergone consistent facility upgrades over the past decade.

Both tracks have worked with GRNSW, TAB and Sky to ensure that their Cup meetings in 2013/14 were granted TAB coverage. Both TAB meetings enjoyed outstanding support from on course attendance and off course wagering perspectives.

As a big track, Temora is perfectly positioned to complement the two turn TAB racing currently provided in the Riverina at Wagga. And Gunnedah obviously presents itself, as the most logical immediate TAB option in the North West of the State, an area currently, and surely unacceptably, devoid of any regular provision of TAB greyhound racing.

The Association's remaining non-TAB track, Appin, is currently being maintained as a trial facility with a limited number of self-funded non-TAB meetings. Unless GRNSW forms the view that Appin should be used for the provision of TAB racing, then Appin's future as a racing venue is limited. Against this background, Directors have commenced the process of having Appin considered for residential re-zoning so as to potentially maximise the property's future value.

Beyond the Association's track operations and from a wider industry perspective, the NSW greyhound industry remains financially challenged as a result of (a) an unfair Intercode Agreement regarding the distribution of TAB profits; and (b) a wagering taxation disparity as compared to other States.

The current Intercode Agreement returns 13% of the racing industry's TAB distribution to the greyhound code despite the code generating 20% of profits. The taxation disparity places the NSW racing industry at considerable disadvantage with other States. Victoria for instance, generates similar turnover levels with TAB and yet enjoys a \$100m per year funding advantage over NSW, simply because of a lower taxation rate.

The potential for both Intercode reform, and correction of the taxation disparity were heightened during the year, via the conduct of a Select Committee Parliamentary Inquiry and, secondly, the Baird State Government's commitment to consider tax harmonisation with other States.

With regard to the Parliamentary Inquiry, the Association combined with GRNSW, the Metropolitan and Provincial Greyhound Racing Clubs Association and the Greyhound Action Group to make a strong and considered submission on the financial position and needs of the NSW greyhound industry. The Association also made a separate submission

relating to integrity, regulatory and animal welfare issues.

With regard to taxation harmonisation, the Association has continued its long term lobbying for reform. The current support shown by the Premier and, in particular, the enthusiasm shown by newly appointed Minister for Racing, Troy Grant, is, at the very least, encouraging and seems certain to drive some form of change.

In closing, I would take this opportunity to extend my appreciation to a number of key contributors during the past year.

- Len Herbert (NSW GBOTA Patron): Len was appointed Patron in January 2014. He is a former long serving Director, a Life Member and an appropriate Statesman of the Association.
- Board of Directors: Again, all Directors provided outstanding support on a voluntary and time consuming basis. I particularly thank outgoing Directors Brett Lazzarini (resigned January 2014) and Gary Oldfield (not elected) for their very dedicated service and welcome incoming Directors Dennis Carl and Shane Bennison.
- Minister for Racing, Troy Grant: Troy and his Chief of Staff, Alex Bruce, continue to show a genuine desire to improve greyhound racing in NSW and their efforts are much appreciated.
- The Honourable Robert Borsak: Robert chaired the Select Committee Parliamentary Inquiry and has revealed great empathy for the position of NSW greyhound racing participants at all times.
- GRNSW Board and management: In difficult and demanding times, Chairman Eve McGregor and her Board continue to work with the industry and recent commitments to increase stakeholder consultation have been appreciated.
- Professor Percy Allen (AM): Chairman of the Wentworth Park Trust Sporting Complex Trust: Percy continues to drive structural reform at Wentworth Park in a manner whereby the NSW greyhound industry and the local community will benefit.
- NSW GBOTA employees, office bearers and volunteers: Together this group, led by Brenton Scott, make an outstanding contribution toward achieving the Association's objectives and I thank them sincerely.

Finally, I thank all members for continuing to support the Association during 2013/14. We remain a democratic and member reflective organisation, dedicated to improving the NSW greyhound industry where at all possible. Good fortune to you all in the coming year.

G.L.Rose
CHAIRMAN

Executive Officer's Report

Thank you for the opportunity to again comment to the Association's past year performance and broad objectives for 2014/15.

The Association traded profitably and managed to self-fund around \$200,000 in prize money on and above that provided by GRNSW during the 2013/14 year.

The trading focus of the Association has continued to undergo subtle changes throughout the past decade as the role of GRNSW has increased from regulatory and commercial perspectives.

Prior to 1998, Clubs received wagering income direct from TAB, they undertook grading, determined prize money levels and race programming whilst also being responsible for club and industry marketing and promotion. This compares to the current situation where wagering income is received via the peak body (GRNSW), grading and prize money determinations are undertaken and controlled by GRNSW, while race programming and marketing are shared initiatives.

From a commercial perspective, clubs now apply greater attention to racing operations, maximisation of race meeting returns, exploitation of media, signage and sponsorship rights and increasing returns, wherever possible from non-race day activity.

Given this, the reforms associated with the reconsideration of tenure arrangements at Wentworth Park are of vital importance. It is currently proposed that GRNSW be granted a 40 year lease at the venue, with the NSW GBOTA granted a sub-lease with back to back terms.

Under the proposal, the NSW GBOTA will be responsible for day to day management of the venue. Operations currently conducted by the Wentworth Park Sporting Complex Trust on behalf of the NSW GBOTA, would be undertaken by a singular administration (NSW GBOTA). The Trust will continue to manage community use of the facility.

The proposed structure will provide the NSW GBOTA with operational autonomy over its entire race night experience and the management of non-race meeting commercial activity.

GRNSW and the NSW GBOTA will also be presented with the opportunity to cement the one united vision with the development of a metropolitan racing strategy that has regard for race date allocation, marketing and promotion, commercial activity, and a capital development plan.

The Chairman has outlined in his report the current strategy of Directors with regard to TAB operations. In short, all tracks are being structured with regard to cost efficiency and an administrative focus on increasing race meeting profitability and the development of non-race day opportunities.

The Association's non-TAB operations continue to satisfy the Association's broad charter to foster greyhound racing throughout NSW. However, the reality is that non-TAB racing is only viable with an intense voluntary contribution which is becoming increasingly difficult to retain.

Currently operations at both Temora and Gunnedah benefit from voluntary contributions, valued in excess of \$125,000 per year. Whilst this is currently sustainable, the reality is that both tracks will have stronger futures if they can be elevated to TAB status.

Both clubs continue to position for TAB consideration, including ongoing facility improvements and grass to sand track surface provisions.

The track surface conversions were NSW GBOTA funded and required 10,000 hours of voluntary labour at both tracks. It was pleasing that the voluntary contribution was formerly acknowledged by GRNSW naming the Temora volunteers as the 2013 Volunteers of the Year.

The Chairman, in his report, has commented to the financial challenges before the NSW greyhound industry, regarding Intercode Agreement reform and the wagering taxation disparity between NSW and other States.

The Select Committee Parliamentary Inquiry has concluded that the NSW greyhound industry requires assistance if it is to remain viable. And the State Government commitment to consider tax harmonisation continues to build momentum.

It is worth noting that financial adjustments arising from the recent taxation reform in Queensland had consideration of the fact that the Queensland Racing Industry Intercode Agreement was unfair to the greyhound code. Hopefully, this precedent carries weight in NSW.

The NSW Intercode Agreement was signed with the express approval and authority of the Board of the then Greyhound Racing Authority, a Board independent of Club and industry stakeholders, appointed by the Labor Government of the day.

Should the current Baird Liberal Government be able to deliver taxation harmonisation with other States (in particular Victoria), it remains reasonable to suggest that a portion of the arising financial benefits should be devoted to offsetting the unfairness of the Intercode Agreement.

The NSW greyhound industry continues to make a vital economic contribution to the State of NSW and this contribution can only grow should the industry be provided with something like a financially level playing field.

In closing, I thank members for their ongoing contribution to the Association. I again extend my appreciation to the Associations' employees who remain extremely hardworking and dedicated to the industry.

Finally, I thank the Chairman and Directors for their ongoing support and guidance.

Good fortune to members and greyhound racing participants in the coming year.

Brenton Scott

Operations Overview

METROPOLITAN RACING

The Wentworth Park operation remains a vital component of overall NSW GBOTA operations and a crucial cog regarding the future success of the NSW greyhound racing industry.

The venue continues to provide the highest prize money in NSW and provided 16 group race events in 2013/14.

Pending changes to tenure arrangements are pivotal. It is important that the greyhound industry have operational freedom at its major venue and this will be achieved in the proposed new arrangements.

In addition, the new arrangements will facilitate the development of a long term plan for the venue. Issues such as race date allocations, prize money, carnival development, capital improvements and commercial opportunities will be addressed and resolved.

During the past year, improvements were made to wagering audio visual displays and the breezeway was upgraded. In the coming year, work is expected to be undertaken on an upgrade to the southern perimeter region which will allow for improved participant and customer parking.

Other projects under consideration include a track lighting upgrade and installation of 600m race start.

TAB RACING

The NSW GBOTA TAB tracks all performed to expectation and the commitment to sponsorship growth and non-raceday income continued.

All tracks now run with very efficient administrations and are expected to trade profitably in 2014/15.

A re-structuring at Bulli was undertaken during 2013/14 and that operation is now in a position to trade successfully in coming years.

The introduction of TAB C big track racing at Maitland in 2014/15 has, thus far, been well received. Maitland's normal quota of TAB B meetings has been retained but participants now have an additional lower class entry level TAB racing opportunity on a big track.

Bathurst continues to make a vital contribution in the central west though operations would be improved if the venue was to be granted totally TAB B meetings as opposed to the current TAB B/TAB C 50/50 mix.

Gosford, Maitland and Lismore continue to perform well. Gosford and Lismore continue to seek non raceday business opportunities and Maitland retains sponsorship levels, possibly higher than any other TAB track in NSW.

NON-TAB RACING

The Association's non-TAB tracks all traded to expectation in 2013/14.

The Temora and Gunnedah operations enjoy high voluntary contributions and this is the back bone of their viability. Both operations were promoted locally in an outstanding manner during 2013/14.

Both clubs have positioned for TAB coverage and hopefully one or both tracks can be considered for TAB elevation as GRNSW confirms the industry's strategic direction.

Racing previously conducted at Appin, was transferred to Wentworth Park and elevated to TAB C level in 2013/14. Some self-funded race meetings were staged during the year at Appin.

Appin unfortunately does not enjoy the voluntary support in place at other NSW GBOTA non-TAB tracks and, given this, the track's capacity to provide viable racing – short of TAB elevation – is limited in the future.

NSW GBOTA MEMBERS BENEFITS

The Association's membership currently stands at 1200 members. The members, in turn, form 27 branches throughout NSW and the branches again made a robust contribution to issues before the Industry.

Whilst the Association is a commercial racing organisation, it also remains committed to the representative function. The Association has been representing rank and file participants since 1939 and remains the most effective representative group in the Australian greyhound industry.

Membership benefits provided during the year included:

- The right to express your views in a democratic, well-structured and professional representative Association.
- The right to participate in two membership bonus schemes, the Members Bonus Race Scheme and the Members Attendance Scheme in which an average of \$45,000 is distributed annually.
- The provision of free admission to a number of NSW GBOTA race meetings at Metropolitan and TAB level.
- Free parking when racing at NSW GBOTA Wentworth Park meetings.
- Branch subsidies and members Greyhound of the Year.
- Representation at NSW, Metropolitan & Provincial Greyhound Clubs Association, Australian Greyhound Racing Association and the Federation of Greyhound Breeders, Owners & Trainers Association.
- Initial legal advice where required on greyhound racing matters

ANNUAL AWARDS

Edge, 2013 NSW GBOTA Members Greyhound of the Year, trained by Graeme Barnett.

NSW GBOTA GREYHOUND OF THE YEAR

The 2013 NSW GBOTA Members Greyhound of the Year, based on performances at all tracks, was Edge.

Trained by Singleton branch member Graeme Barnett, Edge won 6 races at Lismore and Maitland and the Gardens and was also placed on 5 occasions at these tracks. Edge also won 6 races and 8 placings at Wentworth Park.

The 2013 NSW GBOTA Member Metropolitan Greyhound of the Year was Jonardo. Trained by GBOTA Auburn Lidcombe member John Antonelli, Jonardo won 5 races and also had 12 placings at Wentworth Park.

The 2013 NSW GBOTA Members Provincial Greyhound of the Year was Proper Lilly. Trained by GBOTA Lismore Branch member Charlie Northfield, Proper Lilly won 9 races and also had 17 placings at Lismore and Casino.

The 2013 NSW GBOTA Members Country Greyhound of the Year was Western Isle. Trained by GBOTA Kempsey branch member Vicki Byrnes, Western Isle won 10 races and also had 14 placings at Wauchope, Kempsey and Taree.

NSW GBOTA Directors authorised funding of \$5,600 for the Awards.

The Awards were managed by a sub-committee which comprised of Darren Curby and Sue Absalom.

Jonardo, 2013 NSW GBOTA Member Metropolitan Greyhound of the Year, trained by John Antonelli.

Maitland Gold Cup 2014. Winner: Paw Licking.

Lismore Workers Club Cup 2013.
Winner: Regal Lauryn.

2014 Bulli Gold Cup. Winner: My Boy Snoop.

Gunnedah Volunteers.

Gunnedah Grass to Sand Conversion
February 2014.

NSW GBOTA Board of Directors (as at June 30, 2014)

Geoffrey Leon Rose (Chairman)

Mr Rose was elected as Director of the Association for the North & North Western District in May 1994. He has been a member of the Gunnedah Branch of the Association since 1978 and been involved in greyhound racing for over 30 years. Mr Rose was elected Deputy Chairman in June 2000 and held that position until being elected Chairman of the Association in June 2010. Mr Rose is Chairman of the Gunnedah Management Committee and a member of the Association's Executive. He is a delegate to the Australian Federation of Greyhound Breeders, Owners and Trainers Association and Australian Greyhound Racing Association. Mr Rose is a Trustee of the Gosford Showground Trust and the Wentworth Park Sporting Complex Trust. Mr Rose was awarded Life Membership of the Association in 2008.

Gerald Lee (Deputy Chairman)

Mr Lee joined the Maitland Branch of the NSW GBOTA in 1958 and is currently a member of the Gosford Branch. He was elected to the Board of Directors in 2012. He has been involved in all forms of the sport as a breeder, owner and trainer. Mr Lee has also been involved in the sport as a bookmaker on the Hunter and Central Coast tracks. Mr Lee was a member of the Gosford Advisory Committee for five years until January 2012. Mr Lee is currently member of the Gosford Showground Trust and a member of both the Maitland and Gosford Management Committees.

Susan Therese Absalom

Mrs Absalom has been involved in the Greyhound Industry as a breeder and owner for over 25 years. She joined the Auburn-Lidcombe Branch of the Association in 1986 and was Secretary of that Branch continuously until her election to the Directorate. Mrs Absalom was also Secretary of the Metropolitan District Association from 2004 until her election to the Directorate in May 2006 representing the Metropolitan District. She is a member of the Wentworth Park Combined Stands & Grounds Sub-Committee and the

Wentworth Park Management Committee. Mrs Absalom is also a member of the Association's Executive, Articles Review sub-committee and a Director of Greyhound Media Services as nominated by the Association's Directorate.

Shane Bennison

Mr Bennison was elected to the Directorate for the Newcastle and Hunter River District in June 1, 2014. Mr Bennison has been involved in the greyhound industry for over 30 years. He has a public trainers licence and has managed his family's rearing and spelling facility for the past 25 years.

Mr Bennison joined the Association in 2010 and is a member of the Cessnock Branch. He is currently a delegate of the Branch to the District Association.

In addition to his management of the rearing and spelling facility, Mr Bennison has been casually employed in the pet food industry, as a trial track assistant and has been previously employed as a Hotel Manager and Supervisor in the security industry.

Mr Bennison also worked as a casual ear brander and marker in the Hunter area for over 12 years with the various entities of GRA, GHRRA & GRNSW.

Joseph Bertinato

Mr Bertinato has been involved in the Industry as a breeder, owner and public trainer for the past 34 years. He joined the Wollongong Branch of the Association in 1983 and was Vice President of the Branch in 1998, President of the Branch from 1999 to 2009 and was Vice President from 2009 until elected to the Directorate in 2010. He also performed the duty of Point Score Captain from 1996 to 1999. Mr Bertinato was elected to the Directorate in 2010 for the South Coast and Southern Tablelands District. He is a member of both the Appin and Bulli Management Committees and a member of the Bulli Complex Committee.

Richard Bligh

Mr Bligh has been involved in the Greyhound Industry for over 20 years as an owner, trainer and breeder. He joined the Liverpool Branch of the Association in 1994 and is currently Chairman of that Branch having held that position since 2005. Mr Bligh has also served terms as Vice Chairman, MDA delegate and alternate delegate as well as Chairman of the MDA in 2008. He was elected to the Directorate for the Metropolitan District in 2008. Mr Bligh is a member of the Wentworth Park Management Committee and a member of the Wentworth Park Combined Stands & Grounds Sub-Committee.

Dennis Carl

Mr Carl was elected to the Directorate for the Metropolitan District in June 1, 2014. Mr Carl has been involved in the greyhound industry for over 50 years. He joined the Association in 1970 and was a founding force behind the establishment of the Richmond Branch.

Mr Carl exited the greyhound industry between the years of 1980 and 2005 given travel demands with his employment. Mr Carl resumed his membership soon after this and has been a delegate to the MDA for the past two years and is the current Chairman of the Richmond Branch.

Mr Carl is currently semi-retired following a career in the Australian Meat Industry. His career included senior management positions at Harbour International, Slimsuit Australia and Riverina Australia's meat division. He has been both a Director and Chairman of the NSW Meat Exporters Association and been a Director of several Boards within the meat industry, both at State and Federal level, and has recently been reappointed to represent NSW on the National Export (Beef) Processor Council.

Joseph Cotroneo

Mr Cotroneo has been involved in the Greyhound Industry for over 40 years managing the Chipping Norton Greyhound Complex until he moved to the Northern Rivers District in 1973 where he joined the Lismore Branch in 1981. He was appointed to the Directorate for the Northern Rivers District in May 2001 and re-elected by members in May 2002. Mr Cotroneo is a member of the Lismore Management Committee.

George Vincent Hayes

Mr Hayes joined the Association in 1965 (Eastern Suburbs Branch) and was Chairman and District Association delegate of that Branch for 15 years until the closure of that Branch.

Mr Hayes transferred to the Parramatta Branch in 1988 and has served as Vice Chairman and District Association delegate of that Branch since that time. Mr Hayes was first appointed to the Board of Directors for the Metropolitan District in 2007 until May 2008. Mr Hayes was again elected to the Directorate in 2009 for the Western District. He is currently a member of the Association's Executive and the Bathurst Management Committee. Mr Hayes is also a Trustee of the Gosford Showground Trust and is a member of the Greyhound Racing Industry Consultation Group, as nominated by the Directorate. Mr Hayes was awarded Life Membership of the Association in 2001.

Gary Smith

Mr Smith has been involved in the Greyhound Industry for 48 years. He was first licensed in Victoria at the age of 14 years as a handler.

Mr Smith has bred, reared and trained greyhounds for over 30 years and has lived, worked and raced in the Riverina for the last 25 years. He joined the Temora Branch of the Association in 1992 and was a member until 2000, re-instating to the Direct List in 2010. Mr Smith has a Certificate 4 in Frontline Management and worked at management level at Gundagai Hospital for six years. Mr Smith is a member of the Temora Management Committee.

Brenton James Scott (Executive Officer)

Mr Scott was appointed to the position of Executive Officer in 1995. In addition to his duties with the Association, he is a Director of Greyhound Media Services and co-ordinates the Australian Group Racing dates and calendar on behalf of the Australian Greyhound Racing Association.

2014 MACRO MEATS GOLDEN EASTER EGG

25 years of Exceptional

Top: 2014 Macro Meats Golden Easter Egg Presentation.

Bottom: A great crowd got trackside for sensational racing throughout the Carnival.

The 2014 Macro Meats Golden Easter Egg Carnival marked as a special one in history for a number of reasons.

Celebrating its 25th year, both the 520m and 720m track records fell in spectacular style, and as a result generated high levels of Media interest in the sport.

For the second year the Carnival hosted two Group 1 events, three Group 3 events and a Listed race across three weeks. Thanks to this programming, both the novice spectators and racing enthusiasts alike were treated to a true spectacle of greyhound racing, that is rarely encountered at the one venue.

In the opening week of the Carnival, headlines were generated by Shakey Jakey. Relatively unknown prior to April 6, 2014, the son of Collision x Kiacatoo Pearl suddenly became a house hold name within 24hours of winning his heat of the Group 3 Sportingbet Magic Maiden series. Trained by Central West based, David Pringle, Shakey Jakey lowered the 520m track record from 29.27 to 29.07 in one foul swoop. Pringle had always had a wrap on the dog prior to the series, having broken the 450m track record at Bathurst in a performance trial during March. He, however, did not anticipate his starter shaving two tenths off Punch One Out's previous record. Vision of the record ranks as one of TAB.com.au highest viewed social media posts, with main stream media outlets covering the story for days after the event. Sadly due to a minor injury sustained following the race, the series was robbed of a true draw card.

Enter week two and for regular race goers, there wasn't time to miss Shakey Jakey. Victorian super star, Xylia Allen created her own waves, leading all the way in the opening heat of the AAA Radiator Specialists Association Cup. Her run took two tenths off Dyna Willow's record which had been set just two weeks previously. Many argue that the 2014 Association Cup series will be remembered as one of the strongest in history. Seven days later, it was staying new comer, Sweet It Is, which recorded a run of the year performance to win the \$75,000 to the winner final.

For the first time, the Carnival included racing on Easter Thursday, but for most it was down to Easter Saturday. Another strong crowd was recorded, with Level 1 Function numbers reaching capacity. Glenn Rounds' Anything Less took out the Sportingbet Magic Maiden series. Boom youngster Hooksy, didn't disappoint winning the New Sensation Final, winning each week of the series, while Ritza Hattie won trainer Mark Gatt his second Ambrosoli title.

In the feature final it was Tonk for Brooke Ennis which flew under the guard of most to claim the \$250,000 to the winner final. Having won at Wentworth Park in smart time prior to the series, Tonk was a constant improver throughout the series, and benefited from a favourable box two draw in the Easter Saturday final.

Moves such as having the Golden Easter Egg as Race seven on the card have been heralded as critical to elevating the wagering interest in the event, with NSW TAB turnover surpassing \$1.48 Million on the April 19, Final meeting.

As always the success of the Carnival cannot be achieved without the Sponsors, Ray Borda at Macro Meats, Tony Nahabedian at AAA Radiators and the entire Sportingbet team. 2014 results were reliant upon assistance provided by SKY Racing (Mark Duclos in particular) and Greyhound Racing NSW.

Large crowd trackside for Easter Saturday.

Top: Xylia Allen – Superstar runner Xylia Allen in full flight, lowering the 720m Track Record to 41.53 in a heat of the Group 1 AAA Radiator Specialists Association Cup on April 12.

Bottom: Shakey Jakey – Trainer David Pringle and handler Jacob Burke, with Shakey Jakey after he eclipsed the 520m Track Record in the heats of the Sportingbet Magic Maiden

Directors' Report

DIRECTORS

The names of each person who has been a Director during the financial year 2013/2014 are:

Director	Meetings Eligible to Attend	Meeting Present
Mr G L Rose	12	12
Ms S T Absalom	12	12
Mr J Bertinato	12	10
Mr R Bligh	12	11
Mr J Cotroneo	12	11
Mr G V Hayes	12	11
Mr B Lazzarini (resigned Feb 2014)	7	5
Mr G Lee	12	11
Mr G Oldfield (served until May 2014)	11	11
Mr G Smith	12	10
Mr D Carl (appointed June 2014)	1	1
Mr S Bennison (appointed June 2014)	1	1

Directors have been in office since the start of the financial year to the date of this report, unless otherwise stated.

COMPANY SECRETARY

The following person held the position of Company Secretary at the end of the financial year:

Brenton James Scott

PRINCIPAL ACTIVITIES

The principal activities of the economic entity during the year were to conduct greyhound racing in New South Wales.

OPERATING RESULTS

The consolidated surplus before Income Tax amounted to \$173,260 as compared to the previous year consolidated surplus \$114,158.

DIVIDEND PAID OR RECOMMENDED

The entity did not declare or pay a dividend during the year.

SIGNIFICANT CHANGES

There were no significant changes in the state of affairs of the entity during the financial year.

EVENTS SUBSEQUENT TO BALANCE DATE

No matters of circumstance have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the entity, the results of these operations, or the state of affairs of the entity in future financial years.

FUTURE DEVELOPMENTS

The entity is not expected to change its level of operations within the coming year.

ENVIRONMENTAL ISSUES

The entity's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a State or Territory.

DIRECTOR'S BENEFITS

During the 2013/2014 financial year, no Director has received or become entitled to receive a benefit other than travelling expenses and out of pocket expenses. Where any contracts were awarded to a Company or a Related Corporation to which a Director was a member or had a substantial interest, conflict of interest declaration procedures applied and contracts were awarded by Directorate decision, exclusive of input from the Director concerned.

INDEMNIFYING OFFICERS OR AUDITOR

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or have been an officer or auditor of the entity.

PROCEEDINGS ON BEHALF OF THE ENTITY

No person has applied for leave of court to bring proceedings on behalf of the entity or intervene in any proceedings to which the entity is a party for the purposes of taking responsibility on behalf of the entity for all or any part of those proceedings.

The entity was not a party to any such proceedings during the year.

AUDITOR'S INDEPENDENCE DELARATION

The Auditor's independence declaration for the year ended June 2014 has been received and can be found on page 20 of the Report.

Signed in accordance with a resolution of the Board of Directors.

Director: **G.L.Rose**

Dated: October 20, 2014.

DIRECTORS' DECLARATION

The Directors of the entity declare that:

1. The financial statements and notes, as set out on pages 20 to 43, are in accordance with the Corporations Act 2001:
 - a. comply with Accounting Standards and the Corporations Regulations 2001; and
 - b. give a true and fair view of the financial position as at 30 June 2014 and of the performance for the year ended on that date of the entity.
2. In the Directors' opinion there are reasonable grounds to believe that the entity will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director: **G.L.Rose**

Dated: October 18, 2014.

AUDITORS' INDEPENDENCE DECLARATION UNDER SECTION 307C OF THE CORPORATIONS ACT 2001 TO THE MEMBERS OF THE NEW SOUTH WALES GREYHOUND BREEDERS, OWNERS & TRAINERS' ASSOCIATION LIMITED

We declare that, to the best of our knowledge and belief, during the year ended 30 June 2014 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes To and Forming Part of the Financial Statements for the Year Ended June 30, 2014

1. STATEMENT OF ACCOUNTING POLICIES

The Association is a Reporting Entity.

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, urgent Issues Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report is for the Association.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied unless otherwise stated.

Basis of Preparation

The Association has prepared financial statements in accordance with the Australian Equivalents to International Financial Reporting Standards (AIFRS) from 1 July 2005.

The accounting policies set out below have been consistently applied to all years presented.

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

(a) Fixed Assets and Depreciation

- i. Fixed assets including Freehold land are included at cost. Land and Buildings taken over at Gunnedah and Bathurst tracks have been included at Director's valuation.
- ii. Freehold Land: has not been depreciated.
- iii. Building: Depreciation of building structures are calculated on a straight line basis over their estimated economic useful lives.
- iv. Plant and Equipment, Motor Vehicles and non-Current Assets: Depreciation was calculated on a straight line basis so as to write off the cost of each non-current asset over its estimated useful life.
- v. The carrying amount of property, plant and equipment is viewed annually by Directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the asset's employment and subsequent disposal. The expected cash flows have not been discounted to present value in determining recoverable amount.

Under AASB 116 “Property, plant and equipment” the Association would be required to include as part of the cost of its leasehold improvements, an estimate of the costs to remove those improvements at the end of the lease term where such an obligation exists to the lessor. These costs were not recognised under AGAAP. A corresponding liability would also be recognised under AIFRS in accordance with AASB 137 “Provisions, Contingent Liabilities and Contingent Assets”. The Association has not made an estimate of the removal costs.

(b) Lease Payments

Lease payments for operating leases, where substantially all the risk and benefits remain with the lessor, are charged as an expense in the periods in which they are incurred.

(c) Intangible Assets (Non-Current Assets – Other)

Expenditure which is expected to result in sufficient future benefits over more than one accounting period has been capitalised. These will be written off on expiry of that benefit in future accounting periods.

(d) Inventories

Inventories are valued at lower of cost and net realisable value. Costs are assigned on first-in, first-out basis.

(e) Insurance

Insurance policies are held to cover all material risks. The insurance coverage is reviewed annually to ensure adequate cover for all risk areas.

(f) Employee Benefits

Provision is made for the Association’s liability for employee benefits arising from services rendered by employees to Balance Sheet date. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual and long service leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

(g) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less.

(h) Receivables, Payables and Accruals

Accounts Receivable generally settled within 30 days are carried at amounts due. Accounts Payable including accruals not yet billed, are recognised when the Association becomes obliged to make future payments as a result of a purchase of assets or services. Accounts Payables are generally settled within 30 days.

(i) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST. Receivables and payables in the statement of financial position are shown inclusive of GST.

(j) Unexpended Grants

The Association receives grant monies to fund projects either for contracted periods of time or for specific projects irrespective of the period of time required to complete those projects. It is the policy of the Association to treat grants monies as unexpended grants in the balance sheet where the Association is contractually obliged to provide the services in a subsequent financial period to when the grant is received or in the case of specific project grants where the project has not been completed.

(k) Contributions

The Association receives non-reciprocal contributions for no or a nominal value. These contributions are recognised at the fair value on the date of acquisition upon which time an asset is taken up in the balance sheet and revenue in the income statement.

(l) Income Tax

The Association has been granted exemption from income tax.

(m) Critical Accounting Estimates and Judgments

The directors estimates and judgments incorporated into the financial report are based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the group.

(n) Economic Dependence

The Association is dependent on GRNSW for the majority of its revenue used to operate the business. At the date of this report the Board of Directors has no reason to believe that GRNSW will not continue to support the Association.

The financial report was authorised for issue on 18th October 2014 by the Board of Directors.

The Future Income Tax Benefit is no longer applicable to the Association as it has been granted exemption from the payment of income tax.		

Notes to and Forming Part of the Financial Statements For the Year Ended June 30, 2014

12. Financial Instruments

Financial Risk Management

(a) General Objectives, Policies and Processes

In common with all businesses, the entity is exposed to risks that arise from its use of financial instruments. This note describes the entity's objectives, policies and processes for managing those risks and the methods used to measure them. Further quantitative information in respect of these risks is presented throughout these financial statements.

There have been no substantive changes in the entity's exposure to financial instrument risks, its objectives, policies and processes for managing those risk or the methods used to measure them from previous periods unless otherwise stated in this note.

The Board has overall responsibility for the determination of the entity's risk management objectives and policies. The entity's risk management policies and objectives are therefore designed to minimise the potential impacts of these risks on the results of the company where such impacts may be material. The Board receives reports through which it reviews the effectiveness of the process put in place and appropriateness of the objectives and policies it sets.

The overall objective of the Board is to set policies that seek to reduce the risk as far as possible. Further details regarding these policies are set out below:

(b) Credit Risk

Credit risk is the risk that the other party to a financial instrument will fail to discharge their obligation resulting in the entity incurring a financial loss. This usually occurs when debtors or counterparties to derivative contracts fail to settle their obligations owing to the entity. There is no concentration of credit risk, and as a result, the credit quality of financial assets that are neither past due nor impaired is good.

The maximum exposure to credit risk at balance date is as follows:

	2014 \$	2013 \$
Receivables	1,556,433	2,402,307

(c) Liquidity Risk

Liquidity risk is the risk that the entity may encounter difficulties raising funds to meet commitments associated with financial instruments that is creditors. It is the policy of the Board that the entity maintains adequate funds.

2014	Carrying Amount \$	Contractual Cash Flows \$	<6 Months \$	>6 Months \$
Financial Liabilities				
Non-Derivative				
Current Payables	223,088	223,088	223,088	
Secured Loans	550,000	-	-	550,000
2013	Carrying Amount \$	Contractual Cash Flows \$	<6 Months \$	>6 Months \$
Financial Liabilities				
Non-Derivative				
Current Payables	411,290	411,290	411,290	
Secured Loans	684,519	-	-	684,519

Notes to and Forming Part of the Financial Statements For the Year Ended June 30, 2014

(d) Market Risk

Market risk arises from the use of interest bearing financial instruments. It is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk).

(e) Interest Rate Risk

The entity is constantly monitoring its exposure to trends and fluctuations in interest rates in order to manage interest rate risk.

Sensitivity Analysis

The following tables demonstrate the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, of the entity's results (through the impact on adjusted interest rate).

2014	Carrying Amount \$	+1% Interest Rate \$	-1% Interest Rate \$
Cash & Cash Equivalents	1,624,585	16,246	-16,246
2013	Carrying Amount \$	+1% Interest Rate \$	-1% Interest Rate \$
Cash & Cash Equivalents	1,136,692	11,367	-11,367

(f) Net Fair Values

The net fair value of all assets and liabilities approximates their carrying value.

No financial assets or financial liabilities are traded on organised markets in standardised form.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the balance sheet and in the notes to the financial statements.

13. SEGMENT REPORTING

The Association operates in the Greyhound Racing Industry throughout New South Wales.

14. RECONCILIATION	2014 \$	2013 \$
(a) Reconciliation of Cash		
Cash on Hand	1,850	1,850
Net Cash at Bank	1,072,735	450,322
	1,074,585	452,172
(b) Reconciliation of Net Cash Provided by Operating Activities to Operating Deficit after Tax		
Consolidated Surplus/ (Deficit) before Extraordinary Income & Income Tax	173,260	114,158
Depreciation and Amortisation	271,360	272,262

Other Debtors & Prepayments	845,875	(119,911)
Inventories	9,127	(8,612)
Income in Advance	7,774	(118,872)
Trade Creditors and Accruals	(195,975)	(127,758)
Provisions	10,136	(75,053)
Net Cash provided by Operating Activities	1,119,891	(66,070)

15. CAPITAL MANAGEMENT

Management control the capital of the entity to ensure that adequate cash flows are generated to fund obligations and that returns from investments are maximised. The finance committee ensures that the overall risk management strategy is in line with this objective.

The Association's capital consists of real property assets, leasehold improvements, supported by financial assets.

Management effectively manage the entity's capital by assessing the Association's financial risks and responding to changes in these risks and in the market.

There have been no changes to the strategy adopted by management to control the capital of the Association since previous year.

Income Statement For the Year Ended June 30, 2014

	2014 \$	2013 \$
Revenue from government and other grants	520,344	366,196
Other revenue	11,832,464	20,499,062
Employee benefits expense	3,574,830	2,958,139
Depreciation and amortisation	271,360	272,262

Independent Audit Report To the Members of the New South Wales Greyhound Breeders, Owners & Trainers' Association Limited

Scope

Report on the Financial Report

We have audited the accompanying financial report of The New South Wales Greyhound Breeders Owners & Trainers Association Limited, which comprises the balance sheet as at 30 June 2014 and the income statement, statement of recognised income and expenditure and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the directors' declaration which are included on pages 18 to 31 of this report.

We do not express any opinion on the allocation of income & expenditure on the Head Office and individual track accounts.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the internal control. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, provided to the directors of The New South Wales Greyhound Breeders Owners & Trainers Association Limited on 18th October 2014, would be in the same terms if provided to the directors as at the date of this auditor's report.

Auditor's Opinion

In our opinion:

- a. the financial report of The New South Wales Greyhound Breeders Owners & Trainers Association Limited is in accordance with the *Corporations Act 2001*, including:
 - i. giving a true and fair view of the company's financial position as at 30 June 2014 and of their performance for the year ended on that date; and
 - ii. complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001
