

## Annexure B - Candidate Election Statement

Candidate Name: Dimity Maher

Qualifications: Diploma in Business, Dip  
[eg. LLB, BVSc, etc]

I'm proud to share that I've officially put forward my application to be considered for a Director position with the Greyhound Owners Breeders and Trainers Association.

Greyhound racing isn't just something I'm involved in as a registered participant, it's something I genuinely care about. As an owner and passionate advocate for our industry, I've seen firsthand both the challenges we face and the opportunities we have to strengthen our future.

Despite ongoing health challenges, I've remained committed to my position as both a current board member and as the social media contractor for the GBOTA. I attend all board meetings, working closely on association matters outside of business hours, and putting in late nights to help promote both the association and greyhound racing more broadly. Alongside this, I am completing my degree in accounting, which I look forward to applying through active involvement in strategic planning and strengthening the organisation's future direction.

I believe in standing up for participants, supporting integrity and welfare not only of the Hunter Region but across the state, ensuring our voices are heard at every level. If given the opportunity, I'm committed to bringing a strong, honest, and proactive approach to the role.

This industry is built on hardworking people who love their dogs, and I want to help make sure it continues to move forward in a positive and sustainable way for years to come.

Thank you to everyone who has supported me so far and regardless of the result, my passion for promoting the GBOTA and greyhound racing won't diffuse.
